FOCUS AREA & PROGRAMS

PRIORITIZED OUTREACH

ABQ STREETCONNECT

ABQ StreetConnect (ABQSC) is an outreach collaborative focused on people experiencing homelessness who have the highest utilization records for emergency services and care. The program aims to establish ongoing relationships that result in permanent supportive housing for these people, many of whom suffer from severe behavioral health issues.

EMERGENCY HOUSING

ALBUQUERQUE OPPORTUNITY CENTER

Albuquerque Opportunity Center (AOC) is a services campus that co-locates two programs: An Emergency Housing and Respite Care Program. The two programs share an outdoor garden, computer lab, storage area, showers, laundry facilities, medical examination rooms, a library and a classroom area.

AOC MEN'S OVERNIGHT EMERGENCY HOUSING

AOC Men's Overnight Emergency Housing has 71 beds that provide a safe environment for sleeping and daytime storage of belongings. The program offers case management and community supportive services.

RESPITE CARE PROGRAM

The Respite Care Program has 30 beds on the AOC campus and provides 24-hour care to men recently released from the hospital, who do not have a home. This program is a more affordable option for hospitals and it humanely ensures individuals experiencing homelessness are stabilized through recovery. The program offers medication management, transportation to medical appointments and connects clients to supportive housing resources during their recovery.

WESTSIDE EMERGENCY HOUSING CENTER

The Westside Emergency Housing Center offers a safe and welcoming environment to families, women and men experiencing homelessness in Albuquerque. The center is currently open year-round during evenings on weekdays and operates 24 hours on weekends.

PERMANENT SUPPORTIVE HOUSING

ALBUQUERQUE HEADING HOME

Albuquerque Heading Home is a Housing First collaboration of public, private and non-profit organizations who united in 2011 to house individuals experiencing chronic homelessness and who are medically vulnerable.

FAMILIES HEADING HOME

Families Heading Home provides supportive housing and case management services for families experiencing homelessness.

Heading Home provides prioritized street outreach, emergency housing and permanent supportive housing to people experiencing homelessness. We envision a community where experiences of homelessness are rare, short-lived and nonrecurring.
