

# Volunteer at Heading Home!

Heading Home is a New Mexico non-profit that provides prioritized street outreach, emergency housing and permanent supportive housing services to people experiencing homelessness. Our volunteers are crucial to the success of our mission. Opportunities range from sorting clothing and furniture to encouraging our recently-housed clients as they transition out of homelessness.

**Please contact Kim North at (505) 344-2323 x 202 or [KimN@headinghome.org](mailto:KimN@headinghome.org)** if you're interested in investing your time and talents.

## Furniture and Warehouse Management

Help someone exiting homelessness in furnishing their new home. We need strong volunteers who are comfortable lifting 50 lbs. to assist at our warehouse in sorting, organizing and delivering furniture donations.

## Special Skills Volunteer

Many of our volunteers provide unique services based on their own skill sets. Volunteers may serve directly with our neighbors and residents in unique roles to provide services such as career development, acupuncture, live music, wellness classes and more.

## Organizing Donations

Our generous donors regularly drop off in-kind donations ranging from clothing and toiletries to household furnishings. We need volunteer support in sorting and organizing donations so we can effectively store and distribute donations to those who need them most.

## Event Volunteers (Seasonal)

Heading Home holds its annual celebration sometime between October and December. We will have a need for groups of volunteers to assist in some of the operational functions of the event.
